VDSZ HG L2 MATCH

FRI 2, SAT 3, SUN 4 OCTOBER 2026

ARRIVAL:

- WELCOME to the VSCZ Range for our L2 match
- The VSCZ Range is located at **Meylweg 43, 2550 Kontich**
- There are a lot of zones and streets in Kontich where the speed **limit is 30km/h**. Keep your money for ammo and gear - watch your speed because our friends from the police have a lot of cameras.
- Please **arrive no later than 30 minutes** before the **start time of your squad**.
- **When you arrive, please proceed to the registration booth**. See plan below.
- At the registration booth you will **receive the general briefing** and can **put on your competition rig** and **load all your magazines** (must be transported in the range bag to the range).
- After registration, please complete the **VSCZ Range Logbook**, which is located in the area right after the bar area in front of the inner entrance to the ranges and next to the restrooms.
- **Please wait and relax in the bar area until your squad is complete** and **you will be escorted to the 25-m range by the VDSZ Match Staff.**
- ATTENTION: **NO gun or ammo handling, nor loading of magazines, in the bar area – ONLY in the match registration area or on the 25-m range.**
- **Spectators** must be 18 years or older and **will need to register at the bar**. They will receive a **visitor pass**. Identification is required. People who don't have a visitor pass and do not compete will be asked to leave the shooting range and wait in the bar area.

ON THE 25-m RANGE:

- Competitors must wait in the designated competitor's waiting area inside the 25-m range until called online or instructed by staff, depending on the stage. The shooter "on deck" may start their final walkthrough(s) once the RO announces "Range is clear" for the previous shooter, and until they are called online by the RO.
- Scoring may begin under safe conditions during the competitor's stage or immediately after the RO command "Range is clear."
- **The competitor may assign a delegate to accompany the official scorer to verify scores. Please identify your delegate to the RO in advance. The scorer/RO might call out misses or NS (No-Shoots) during the scoring as a matter of courtesy.**
- **Any rounds fired into the range walls, floors, ceilings or in the red tape of the bullet catchers will result in immediate Disqualification (DQ).**
- **NO brass picking** is allowed during the match. When possible, this may occur only between squads.
- Please note that **filming on the 25-m range is only allowed for personal purposes. It is NOT allowed to publicly share. This is a range policy.**
- Match results will be exported to the Practiscore Competitor App at the end of each match day: *"VDSZ HG L2 2026."*
